Personal: ma.buracchi@gmail.com

PEC: marco.buracchi@postecert.it

Nationality

Italian

Date of birth

19/12/1985

Gender

Male

Bio

I'm Marco, in September 2012 I decided to enroll myself at the University of Florence to pursue my true passion; computer science and security. I graduated in October 2018 with 110/110 cum laude at the master's degree in resilient and secure cyber physical systems. My master thesis was on "*Side-Channel Attacks and speculative execution*". After that, I attended the Short Specialisation Programme (Master I livello) in Cybersecurity at the Pisa University, graduating with full marks.

Now, I'm an ICS Cybersecurity Specialist at H-ON Consulting in Prato. My principal activity is providing cybersecurity consultancy applied to the OT/IACS world following the processes and requirements of the IEC 62443 standard and NIS directive (D.Lgs. 65/2018).

Desired employment/ Occupational field

IT/OT/IoT security, Software Development & Research

Certifications

Dates

13/11/2020

Title of qualification awarded

ISO27001 Lead Implementer

Organization

BSI Group (British Standard Institution)

Education and training

Dates

02/2019 - 04/04/2020

Title of qualification awarded

Short Specialisation Programme - Master I livello in cybersecurity

Principal subjects	Applied Cryptography and Access Control, Network Security & Ethical hacking, Digital Forensics, Cyber Intelligence, Mobile and cloud security, Legal aspects of cybersecurity, Secure system configuration, device hardening and firewall management, Risk monitoring for networks and applications.
Occupational skills covered	Expert in security analysis of applications and IT systems, cyber attacks analysis, big data and machine learning applied to cybersecurity.
Organization	University of Pisa, Department of Information Engineering CNR - Institute of Informatics and Telematics
Final grade	Ottimo (full marks)
ISCED/EQF level	7
Dates	11/2018 - 07/2019
Title of qualification awarded	CISCO Cybersecurity Scholarship Italy
Certification obtained	Introduction to cybersecurity (11-2018), Cybersecurity essential (01-2019), Introduction to Packet Tracer (02-2019).
Organization	CISCO networking academy
Dates	01/10/2015 - 12/10/2018
Title of qualification awarded	Master's degree in Resilient and Secure Cyber Physical Systems
Principal subjects/Occupational skills covered	Security engineering, Security and network management, Distributed programming for IoT, Multivariate analysis and statistical learning, Coding theory and computer security, Advanced techniques (and tools) for software development, Advanced topics in programming languages, Computer forensics, Models of sequential and concurrent systems, Quantitative analysis of systems, Real-time and critical systems, Systems modeling for verification, Advanced numerical analysis
Organization	University of Florence, Faculty of Maths, Physics and Natural Sciences
Final grade	110/110 cum laude
ISCED/EQF level	7
Dates	08/08/2017 - 12/08/2017
Title of qualification awarded	Cornell, Maryland, Max Planck pre-doctoral research school
Principal subjects	Security and privacy, social systems, distributed systems, machine learning, programming languages, and verification
Organization	Max Planck institute for software systems, Cornell University, University of Maryland
Dates	01/10/2012 - 09/10/2015
Title of qualification awarded	Bachelor's Degree in Computer Science.
Organization	University of Florence, Faculty of Maths, Physics and Natural Sciences
Final grade	110/110 cum laude
ISCED/EQF level	6
Work experiences	
Dates	13/02/2020 - now
Occupation or position held	ICS CyberSecurity Specialist

Main activities	Cybersecurity consultancy applied to the OT/IACS world following the processes and requirements of the IEC 62443 standard and NIS directive (D.Lgs. 65/2018). Assessment of customer systems in terms of infrastructure, vulnerability and risk analysis. Development of technical reports and procedures. Internal and external training activities. Holding courses on industrial cybersecurity, IEC62443 and ethical hacking. Development of the new OT cybersecurity internal lab
Employer	H-ON consulting, Via Lepanto, 23, 59100 Prato PO
Type of business or sector	ICS CyberSecurity
Dates	01/10/2019 - now
Occupation or position held	Junior Security Engineer
Main activities	Vulnerability assessment of customer's infrastructures. Penetration testing of android applications. Security solutions for docker containers.
Employer	Florence Consulting Group, Via L. Lama, 23, 50019 Sesto Fiorentino FI
Type of business or sector	IT Security
Dates	28/11/2018 - 31/08/2019
Occupation or position held	Private tutor
Main activities	One-on-one in-house tutoring for middle-school, high-school and university students.
Employer	Centro didattico Matemagia - Via Baracca 166, Firenze
Type of business or sector	Private education
Dates	01/04/2015 - 01/10/2016
Occupation or position held	Research helper
Main activities and responsibilities	I took part in AMADEOS project (Architecture for Multi-criticality Agile Dependable Evolutionary Open System-of-Systems) funded under the European Commission's FP7, supporting research in definition, implementation and evaluation of mechanisms and solutions for the resilient management of the time in the smart grid and smart cities. http://amadeos-project.eu/
Employer	Prof. Andrea Bondavalli, Resilient Computing Lab, Università di Firenze
Type of business or sector	Research and experimentation of dependable architectures and systems
Dates	01/05/2006 - 01/09/2012
Occupation or position held	CNC Machinist and Programmer
Main activities	AutoCAD drawing, CNC programming and cutting (laser cutting, machining center, wire EDM)
Employer	Nuova 230AR, Arezzo, Italy (01/05/2006 - 01/05/2008) Gabry packing, Arezzo, Italy (01/05/2008 - 01/09/2012)
Type of business or sector	Manufacturing industry
Dates	01/09/2004 - 01/05/2006
Occupation or position held	Technical employee
Main activities and responsibilities	Direct measurement in field, fixture designer, autoCAD drawing, cutting programs developer
Employer	Emmedi srl, Arezzo, Italy
Type of business or sector	Manufacturing industry

^(*) Common European Framework of Reference (CEF) level

Very good computer skills, learned as self-taught and through the University. Good knowledge in the use of Kali Linux OS and various IT security and cyber intelligence tools (among the best known: Metasploit, OpenVAS, Nessus, Legion, Maltego). High expertise with many tools such as Apache NiFi, Elasticsearch, Kibana, Maven, Github, virtualization tools, Docker, test-framework.

I studied piano at conservatoire for 4 years. I can play guitar. I love skiing and I'm a futsal goalkeeper for more than 10 years

category A (motorcycle owner) and category B (car owner).
